

# ALLI MAHESH

Contact No. +91 9347558677 | Email ID: 21d4a0412@gmail.com | LinkedIn: [alli-mahesh](#)

**Objective:** Aspiring Full Stack Developer with proficiency in Python, Django, HTML, CSS, and MySQL, eager to develop efficient, scalable, and user-centric applications. Committed to continuous learning and staying current with emerging technologies to deliver high-quality software solutions that meet business needs and drive innovation.

## INTERNSHIPS

### Data Science Intern - Digital Bham

Hyderabad (Remote)

- Successfully developed and implemented a fake news detection model using machine learning algorithm, linear regression.

### Python programming Intern - Cod Soft

Hyderabad (Remote)

- During a 4-week internship, successfully implemented a contact book, password generator, and calculator using Python programming.

## EDUCATION

### Sri Indu College of Engineering & Technology

Hyderabad

- Bachelor of Technology – BTech  
Electronics and Communication Engineering

Nov 2021 – Apr 2025

8.3/10 CGP

### Gouthami Junior College

Nalgonda

- Intermediate  
MPC

Jul 2019 – May 2021

79 %

### Srivanth High School

Nalgonda

- SSC

May 2019

9.3/10 CGPA

## PROJECTS

### House Price Prediction

[GitHub](#) | [Demo](#)

- This application integrates a trained machine learning model with the Django framework, enabling users to input property details via a web form and receive real-time price predictions

### Automatic street light system using ESP8266

[GitHub](#)

- We Implement automatic street light system with esp8266 module in order to save power consumption.

### Fake News Detection using ML

[GitHub](#)

- Developed and implemented fake news detection model using machine learning model, linear regression.

### Designed a Portfolio

[GitHub](#) | [Demo](#)

- Designed a portfolio website using HTML and CSS creating to showcase visually appealing and interactive platform to showcase projects, skills, and achievements.

## TECHNICAL SKILLS

**Programming Languages:** Python, Java, C language, HTML and CSS.

**Packages & Operating Environment familiarity:** Windows, MATLAB, MySQL, Microsoft Office

## ACHIEVEMENTS & CERTIFICATIONS

- Crash Course on Python - Google.
- 24 Hours Hackathon on AI - ML and Data Science - BRAINOVISION SOLUTIONS INDIA PVT.LTD.
- Python for Data Science, AI & Development - IBM
- The Joy of Computing Using Python - NPTEL
- Introduction to Web Development with HTML, CSS, JavaScript - IBM.
- Participated in Techathon at GITAM Deemed University.
- Participated in 24H Hackthon at Sri Indu college of engineering and Technology.
